On receipt of an application a PVFSC Committee member, who is not related to the skater, will verify that the details are true and correct and meet all criteria. The application will then be submitted to the Executive Committee for approval. All Axel Achievement Awards approved throughout the year will be presented at our annual club presentations.

The skater will receive a certificate of achievement and an Axel pin. The skaters photo will be taken and posted on our social media and website platforms and added to our club notice board recognising their achievement.

If the skater or their parent/guardian does not want the skater's photo posted on our social media, website or club notice board, it must be clearly stated in the nomination email. This will not influence the nomination approval process.
