

2017 Olympic Trophy Challenge and Artistic Challenge

Spin, Jump, Spiral Competition

COMPETITION DATE

Saturday, 15th April 2017

ENTRY FEE

\$17

COMPETITION FORMAT

The elements required (as listed below) should be performed with a maximum of 3 connecting crossovers. Junior competitors should enter the level which they have passed. Adult competitors may select the level most appropriate to their current skating standard. This competition is designed for all skaters to compete against each other, so the difficulty of the elements are not added to the scores. The scores are a reflection of how well the skater performs each element. Each element will be marked out of 10 giving a total score out of 30 for each competitor.

This is a team event, members for each team will comprise each of an Aussie Skate Level, ISA level and an Adult skater as a minimum. The teams will be drawn at the draw.

The number of teams will be dependent on the number of entrants. All scores for the teams will be averaged to make a team score. Teams will then be allocated their placing. In the event of a tie the team with the highest average score for the spiral element will be placed highest. This element was selected by random draw.

Technical Competition attire should be worn for this event. Background music will be supplied.

Refunds will be given only when a valid medical certificate or Statutory Declaration is received by OFSC

This is designed to be a fun event and there will be fun awards for this event!
